Mr. Robert Ponti, Chairperson of the Board of Commissioners
Members of the Board of Commissioners of the Housing Authority
of the City of Yakima:

We are pleased to present the Comprehensive Annual Financial Report (CAFR) for the Housing Authority of the City of Yakima (YHA) for the year ended December 31, 2018. This report is prepared in conformance with standards of financial reporting as established by the Governmental Accounting Standards Board and the Government Finance Officers Association. The U.S. Department of Housing and Urban Development (HUD) requires that all public housing authorities publish within nine months after the fiscal year-end, financial statements presented in conformity with U.S. Generally Accepted Accounting Principles (GAAP), YHA's financial statements presented here have been audited by Loveridge Hunt & Co, PLLC. ***The auditors issued unmodified opinions on YHA's financial statements for the year ended December 31, 2018.*** The data presented in this report is the responsibility of the management of YHA. To the best of our knowledge and belief, the data as presented is accurate in all material aspects; is presented in a manner designed to fairly state the financial position and results of operations of YHA; and all disclosures necessary have been included to enable the reader to gain an understanding of YHA's financial affairs. GAAP requires that management provide a narrative introduction, overview and analysis to complement the basic financial statements in the form of Management's Discussion and Analysis (MD&A).

YHA is required to undergo an annual single audit in conformity with the provisions of the Single Audit Act Amendments of 1996 and U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance). Information related to this single audit, including the independent auditors' report on internal control over financial reporting and on compliance and other matters based on an audit of financial statements performed in accordance with Government Auditing Standards; the independent auditors' report on compliance with requirements applicable to each major program and on internal control over compliance in accordance with Uniform Guidance; the Schedule of Federal Awards; Schedule of Findings and Questioned Costs; Corrective Action Plan; and summary schedule of prior audit findings are included in the single audit section of this report.

Government Overview

This report includes all programs of YHA as well as all of its component units. Component units are legally separate entities for which a government is financially accountable. Although YHA maintains close ties with the City in several respects, YHA is not a component unit of the City as defined by the pronouncements of the Governmental Accounting Standards Board. The governing body for YHA is its Board of Commissioners (Board) comprised of five members appointed by the City of Yakima. The Board appoints an Executive Director to administer the affairs of YHA.

The primary source of funding for YHA is the U.S. Department of Housing and Urban Development (HUD). The City is not financially accountable for the operations of YHA, has no responsibility to fund deficits or receive surpluses, and has not guaranteed any of YHA's current debt.

YHA was created in 1977 to provide safe, decent, and sanitary housing for low-income families of Yakima in accordance with the rules and regulations prescribed by the Department of Housing and Urban Development and other federal agencies. YHA's goals are accomplished through a variety of housing programs and activities. These activities include several programs developed by the U.S. Department of Housing and Urban Development such as the Housing Choice Voucher program, also known as Section 8. In addition, YHA receives funding from the United States Department of Agriculture's Rural Development (USDA RD) to provide farm labor and rural housing in Yakima County.

Economic Condition and Outlook

Congressional housing legislation and the federal budget affect YHA more than local economic factors. YHA's primary source of funding is HUD. As with most housing authorities, a majority of YHA's operating and capital funding comes from federal dollars in the form of operating subsidies, capital grant funds and Section 8 housing assistance payments. During calendar year 2018, HUD and other federal agencies provided approximately 52% of YHA's total revenues. For the Section 8 program, HUD provides housing authorities with a fixed annual budget for Housing Assistance Payments (HAP) and for administration fees.

In calendar year 2015, YHA completed the conversion of its public housing units through HUD's Rental Assistance Demonstration (RAD) program to Project-Based Vouchers (PBV). Beginning in January 2015, HUD transferred funding from public housing to Section 8 for YHA's units converted under RAD, eliminating YHA's reliance on public housing funding. The federal fiscal year 2017 began on October 1, 2017; but, the federal government operated under "continuing resolutions" until the Consolidated Appropriations Act, 2018, was approved on March 22, 2018. Funding for the Section 8 program in calendar year 2018 was prorated at 99% and 81% of eligibility for HAP and administration fees, respectively.

Long-Term Planning and Major Commitments and Initiatives

YHA's mission is building stronger communities through YHA's commitment to safe and affordable housing. Every effort has been made by YHA to operate more efficiently and effectively in the coming year by becoming more innovative in its approach to development, maintenance and management of its units.

YHA completed construction of phase I of Cosecha Court II, a 96-bed facility for seasonal farmworker housing located in Granger, Washington. The facility will primarily house H2A visa workers for small to medium size farms. The construction of the facility cost approximately \$3.78 million and is being funded with housing trust funds (approximately \$3.0 million) through the Washington State Department of Commerce (Department of Commerce) and private debt (approximately \$775 thousand).

YHA applied to the U.S. Department of Health and Human Services (HHS) for the transfer of the former Marine Armory located in Yakima, Washington, to the Housing Authority. The Marine Armory will be improved to provide services (warming shelter, medical, dental, education, transportation, case management, etc.) and permanent housing for homeless veterans. In addition, 41 units of multifamily housing will be developed. The new construction and improvement of the existing facility will be funded with HOME funds from the City of Yakima (approximately \$500 thousand), housing trust funds (approximately \$2.0 million) through the Department of Commerce and LIHTC Equity (approximately \$7.9 million). HHS entered into a three year lease agreement with YHA in July, 2017 until the financing for the improvements are obtained, at which point the property will be transferred to YHA. YHA anticipates the rehabilitation to begin by the spring of 2019.

YHA has been approved for a Multifamily Preservation and Rehabilitation (MPR) application that will rehabilitate its 142 farm labor housing units located throughout Yakima County. The USDA RD MPR program is designed to make projects sustainable over a 20 year period through a combination of debt deferral, loans and grants. Commencement of construction is dependent upon finalization of funding from USDA, anticipated to be in late 2019.

In April 2016, YHA and the Housing Authority of Kittitas County (KCHA) boards approved an interlocal agreement for YHA to provide management services to KCHA beginning May 2016 for three years. KCHA owns and manages 110 public housing units and 51 multifamily units with a HUD multifamily extended use agreement. The agreement was not subsequently extended, and YHA ceased providing these services during 2019.

YHA continues to reaffirm its commitment to the homeless of Yakima County by setting aside seventy-five of its Section 8 vouchers, or approximately \$360 thousand for HAP payments, to be project based for homeless families. YHA has partnered with local nonprofits, landlords and the Yakima County Homeless Network in providing case management to help families adjust to living in permanent housing.

Financial Information

YHA management is responsible for establishing and maintaining an internal control structure designed to ensure that YHA's assets are protected from loss, theft, or misuse and that adequate accounting data are compiled to allow for the preparation of financial statements in conformity with GAAP. YHA has designed its internal control structure to provide reasonable, but not absolute, assurances that those objectives are met.

The concept of reasonable assurance recognizes that: (1) the costs of a control should not exceed the benefits likely to be derived and (2) the valuation of costs and benefits requires estimates and judgment by management.

As a recipient of federal awards, YHA is responsible for ensuring that adequate internal controls are in place to provide compliance with applicable laws, regulations, contracts and grants related to those programs. Those internal controls are subject to periodic evaluation by management, and their independent auditors. As part of YHA's single audit, tests are made to determine the adequacy of the internal controls, including that portion related to federal award programs, as well as to learn whether YHA has complied with applicable laws, regulations, contracts and grants.

Other Information – Awards

The Government Finance Officers Association of the United States and Canada (GFOA) awarded a Certificate of Achievement for Excellence in Financial Reporting to YHA for its Comprehensive Annual Financial Report for the year ended December 31, 2017.

The Certificate of Achievement is a prestigious national award recognizing conformance with the highest standards for preparation of state and local government financial reports.

In order to be awarded a Certificate of Achievement, a governmental unit must publish an easily readable and efficiently organized comprehensive annual financial report whose contents conform to program standards. Such CAFR must satisfy both generally accepted accounting principles and applicable legal requirements. A Certificate of Achievement is valid for a period of one year. We believe our current report continues to conform to the Certificate of Achievement program requirements, and we are submitting it to GFOA.

Acknowledgments

Preparation of the Comprehensive Annual Financial Report on a timely basis was accomplished through the dedicated service of the entire staff of the Accounting department under the leadership of Corina Posekany, YHA's Controller. Each member of the department has our sincere appreciation for the contributions made in the preparation of this report.

In closing, without the leadership and support of the members of the Board of Commissioners, preparation of this report would not have been possible.

INDEPENDENT AUDITOR'S REPORT ON FINANCIAL STATEMENTS

Board of Commissioners
Housing Authority of the City of Yakima
Yakima, Washington

Report on Financial Statements

We have audited the accompanying financial statements of the business-type activities and the aggregate discretely presented component units of the Housing Authority of the City of Yakima (the Authority), as of and for the year ended December 31, 2018, and the related notes to the financial statements, which collectively comprise the Authority's financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We did not audit the financial statements of Yakima Affordable Housing LLLP, Toppenish Family Housing LLC and YHA Family Housing LLC which represent 100 percent of the assets and net position and 100 percent of the revenues of the aggregate discretely presented component units. Those statements were audited by other auditors whose reports have been furnished to us, and our opinion, insofar as it relates to the amounts included for the Housing Authority of the City of Yakima, is based solely on the reports of the other auditors. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement. The financial statements of the aggregate discretely presented component units were not audited in accordance with *Government Auditing Standards*.

INDEPENDENT AUDITOR'S REPORT ON FINANCIAL STATEMENTS - (CONTINUED)

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Authority's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Authority's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, based on our audit and the reports of other auditors, the financial statements referred to above present fairly, in all material respects, the financial position of the business-type activities and the aggregate discretely presented component units of the Authority as of December 31, 2018, and the respective changes in financial position, and, where applicable, cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the Management's Discussion and Analysis on pages 4 to 12 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of the financial reporting for placing the basic financial statements in an appropriate operation, economic or historical context. We have applied certain limited procedures to the required supplemental information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

INDEPENDENT AUDITOR'S REPORT ON FINANCIAL STATEMENTS - (CONTINUED)

Other Information

Our audit was conducted for the purpose of forming an opinion on the financial statements that collectively comprise the Authority's basic financial statements. The introductory section, combining financial statements, and statistical section, are presented for purposes of additional analysis and are not a required part of the basic financial statements.

The Schedule of Expenditures of Federal Awards is presented for purposes of additional analysis as required by Title 2 U.S. Code of Federal Awards Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance) and is not a required part of the basic financial statements. The Financial Data Schedule is presented for the purpose of additional analysis as required by HUD, and is also not a required part of the basic financial statements. The Rural Assistance Programs Combining Financial Statements are presented for the purpose of additional analysis as required by RD, and is also not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards accepted in United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the basic financial statements as a whole. The introductory and statistical sections have not been subjected to the auditing procedures applied in the audit of the basic financial statements and, accordingly, we do not express an opinion or provide any assurance on them.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated June 26, 2019, on our consideration of the Authority's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Authority's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Authority's internal control over financial reporting and compliance.

Management's Discussion and Analysis

December 31, 2018

This narrative overview and analysis of the Housing Authority of the City of Yakima's (YHA) performance for the year ended December 31, 2018 is provided as a supplement to YHA's financial statements. Please read it in conjunction with the transmittal letter at the beginning of this report, the basic financial statements following this section, and the notes to the basic financial statements. The management's discussion and analysis is presented in conformance with the Government Accounting Standards Board (GASB) financial reporting model as set forth in GASB Statement No. 34, *Basic Financial Statements – and Management's Discussion and Analysis – for State and Local Governments*, as amended by GASB Statement No. 37, *Basic Financial Statements – and Management's Discussion and Analysis – for State and Local Governments: Omnibus*.

As required under accounting principles generally accepted in the United States of America, YHA uses the accrual basis of accounting to prepare its basic financial statements. Under this basis of accounting, revenues are recognized in the period in which they are earned and expenses, including depreciation, are recognized in the period in which they are incurred. All assets and liabilities associated with the operations of YHA are included in the statements of net position.

FINANCIAL HIGHLIGHTS

- Total net position increased by approximately \$2.5 million from December 31, 2017 to December 31, 2018. This is a result of revenues exceeding expenses, primarily due to the receipt of a forgivable loan that was received into revenue.
- As of December 31, 2018, the assets of YHA exceeded liabilities by approximately \$24.8 million (net position). Of this amount approximately \$14.4 million (unrestricted net position) may be used to meet ongoing obligations, \$9.0 million is net investment in capital assets and \$1.5 million is restricted as to its allowable usage. As of December 31, 2017, the assets of YHA exceeded liabilities by approximately \$22.3 million (net position). Of this amount approximately \$14.1 million (unrestricted net position) may be used to meet ongoing obligations, \$6.7 million is net investment in capital assets and \$1.6 million is restricted as to its allowable usage.
- Current and noncurrent liabilities increased by approximately \$636 thousand (7%) from December 31, 2017 to December 31, 2018. The increase in 2018 is due to debt attributed to acquisition and construction.
- December 31, 2018 operating revenues increased by approximately \$825 thousand (11%) in comparison to the prior period. The increase relates to an increase in housing assistance payments.
- Nonoperating revenues, net of nonoperating expenses, and income before other revenues, expenses, gains, losses, and transfers increased by approximately \$2.4 million (231%) from December 31, 2018 to December 31, 2017. This significant increase is predominantly due to construction funding received.

Management's Discussion and Analysis

December 31, 2018

OVERVIEW OF THE BASIC FINANCIAL STATEMENTS

This discussion and analysis is intended to serve as an introduction to YHA's basic financial statements. YHA's basic financial statements are comprised of two components: 1) the basic financial statements and 2) notes to the basic financial statements that provide additional disclosure of some of the information in the basic financial statements.

The **Statements of Net Position** include all of YHA's assets and liabilities and provides information about the nature and amounts of investments in resources (assets) and the obligations to YHA creditors (liabilities). It also provides the basis for computing rate of return, evaluating the capital structure of YHA and assessing the liquidity and financial flexibility of YHA.

The **Statements of Revenues, Expenses, and Changes in Net Position** present all of the current period's revenues and expenses. These statements can be used to measure the success of YHA's operations over the past year, its financial position and can be used to determine YHA's overall profitability, financial strength and credit worthiness.

The **Statements of Cash Flows** provide information about YHA's cash receipts and cash payments during the reporting period. The statement reports cash receipts, cash payments, and net changes in cash resulting from operations, investing, and financing activities and provides information regarding where cash came from, what cash was used for, and what the change was in cash balances during the reporting period.

Notes to the Basic Financial Statements provide financial statement disclosures that are an integral part of the basic financial statements. Such disclosures are essential to a comprehensive understanding of the information provided in the basic financial statements.

Combining Financial Schedules – present all of the financial information included in the Statements of Net Position and Revenues, Expenses, and Changes in Net Position by individual program with eliminations of intrafund transactions.

Notes to Combining Schedules – provide a description of the different programs individually presented in the Combining Financial Schedules.

Management's Discussion and Analysis

December 31, 2018

Unrestricted current assets are comprised of cash, receivables, investments, prepaid items, due from other funds and inventories. Unrestricted current assets are approximately 2% higher at December 31, 2018 than December 31, 2017, which represents an increase of approximately \$300 thousand.

Restricted current assets are comprised of cash and investments that are restricted for repayment of security deposits, and federal funding that was unspent at the end of the year. December 31, 2018 restricted current assets increased by approximately \$287 thousand (2%) in comparison to December 31, 2017, primarily due to funding of required reserves.

Capital assets include land, buildings, building improvements, furniture, equipment and machinery, and construction in progress and are shown net of accumulated depreciation. Capital assets increased by approximately \$3.1 million (21%) from December 31, 2017 to December 31, 2018. The most significant additions in 2018 are rehabilitation projects related to Cosecha Court II.

Total liabilities of YHA, which are segregated between current and noncurrent portions, amounted to approximately \$10.2 million and \$9.6 million at December 31, 2018 and December 31, 2017, respectively.

Current liabilities consist of accounts payable, accrued wages and payroll taxes, compensated absences, accrued interest, unearned revenue, accrued liabilities, short-term note payables, due to other funds and current portion of notes payable. Current liabilities decreased from December 31, 2017 to December 31, 2018 by approximately \$49 thousand (4%), and was primarily due to fluctuations in the timing of construction payables.

Current liabilities payable from restricted assets primarily consist of tenant security deposits and restricted, unspent funds from the federal government. These liabilities increased by \$78 thousand (29%) from December 31, 2017 to December 31, 2018. The increase is predominantly due to an increase in the family self-sufficiency program escrows.

Long-term liabilities consist of notes payable and the long-term portion of compensated absences. The increase in long-term liabilities from December 31, 2017 to December 31, 2018 was approximately \$607 thousand (7%), and is attributed to borrowings for construction.

Net position represents the equity of YHA after liabilities are subtracted from assets. Net position is divided into three major categories.

The first category, net investment in capital assets, shows YHA's equity in land, buildings, building improvements, furniture, equipment and machinery, and construction in progress, net of related outstanding debt. The second category, restricted net position, has external limitations on the way in which these assets can be used. The last category, unrestricted net position, is available to be used for any lawful and prudent YHA purpose. Total net position of YHA increased by approximately \$2.5 million from December 31, 2017 to December 31, 2018.

YHA's current ratio reflects the relationship between current assets and current liabilities and is a measure of YHA's ability to pay short-term obligations. At December 31, 2018 and December 31, 2017, YHA's current ratios were 5.4:1 and 5.2:1, respectively.

Capital Assets and Debt Administration

YHA's capital assets are summarized in the table below:

	December 31, 2018	December 31, 2017
Land	\$ 2,494,146	\$ 2,016,694
Buildings	26,110,422	22,527,058
Furniture, equipment & machinery - dwellings	868,043	569,724
Furniture, equipment & machinery - administration	616,993	566,876
Construction in progress	574,594	897,948
Total capital assets	<u>30,664,198</u>	<u>26,578,300</u>
Less accumulated depreciation	<u>(12,303,360)</u>	<u>(11,358,939)</u>
Net capital assets	<u><u>\$ 18,360,838</u></u>	<u><u>\$ 15,219,361</u></u>

Net capital assets increased by approximately \$3.1 million (21%) from December 31, 2017 to December 31, 2018. The most significant capital asset transactions during the year-ended December 31, 2018 were the Cosecha Court II and Veterans additions. The most significant capital asset transactions during the year-ended December 31, 2017 were the Valley 7 renovations of approximately \$2.9 million and the Harmony Park acquisition for approximately \$915 thousand. Additional information on YHA's capital assets can be found in Note 5 to the basic financial statements.

All debt service payments were made in 2018 and 2017 as scheduled. Additional information on YHA's long-term debt can be found in Note 7 to the basic financial statements.

ECONOMIC FACTORS AFFECTING YHA'S FUTURE

The majority of YHA's funding is from federal agencies in the form of housing choice vouchers, tenant subsidy payments, and other various grants. Due to the conversion of its public housing units (utilizing the HUD RAD program) to Section 8 project-based vouchers, 2018 is the fifth year YHA has not received public housing subsidy, and received Section 8 funding only. In 2018, Section 8 HAP was prorated at 99% of eligibility. Based on HUD's funding letters and contracts with HUD, it is anticipated that most HUD programs will continue to receive renewal funding including the housing choice voucher program, which is YHA's largest housing program, serving over 900 families.

Congress and the federal government continue to cut federal subsidies due to federal budget priorities. The reduced funding shift continues to have an impact on YHA's economic position because federal housing dollars make up the largest source of revenue for YHA. During 2018, YHA earned \$7.5 million in federal assistance.

In addition, a majority of YHA's \$18.4 million of net capital assets as of December 31, 2018 were acquired and/or developed over the years with financial assistance from HUD and USDA RD. Such assistance has typically come with use restrictions and generally limits YHA's ability to encumber or leverage financing against HUD or USDA RD properties in its portfolio.

Housing Authority of the City of Yakima

Notes to Basic Financial Statements

NOTE 1 — ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

Organization:

The Housing Authority of the City of Yakima (YHA) is a corporate body created by Resolution No. D-1575 in 1977 by the City of Yakima. The City of Yakima created YHA per Washington State Revised Code Chapter 35.82. YHA was created to provide safe, decent, and sanitary housing for low- and moderate-income residents of the City of Yakima, Washington. YHA administers multiple U.S. Department of Housing and Urban Development (HUD) programs and U.S. Department of Agriculture Rural Development (USDA RD) programs, the funding from which consists of approximately 52% of total revenue, and funds many of the key services provided by YHA.

Reporting entity:

YHA is a public corporation. YHA's five-member Board of Commissioners is appointed by the Yakima City Council, and is a legally separate agency from the City of Yakima. The City of Yakima does not have the ability to affect the operations of YHA, nor does YHA provide a financial benefit to, or impose a financial burden on the City of Yakima.

As defined by accounting principles generally accepted in the United States of America (GAAP), the reporting entity consists of the primary government, as well as its component units, which are legally separate organizations for which the elected officials of the primary government are financially accountable. Financial accountability is defined as appointment of a voting majority of the component units' board, and either (a) the ability to impose will by the primary government, or (b) the possibility that the component unit will provide a financial benefit to or impose a financial burden on the primary government, or (c) the component unit is financially dependent on the primary government.

In determining how to define the reporting entity, management has considered all potential component units. The determination to include a component unit in the reporting entity was made by applying the criteria set forth in Governmental accounting and Financial Reporting Standards and GASB Statement No. 61, *The Financial Reporting Entity: Omnibus – an amendment of GASB Statements No. 14 and no. 34*. These criteria include: financial accountability; appointment of a voting majority; imposition of will; financial benefit to or burden on a primary organization; financial accountability as a result of fiscal dependency; potential for dual inclusion; and organizations included in the reporting entity although the primary organization is not financially accountable. It was determined that YHA Family Housing, LLC, Toppenish Family housing LLC, and Yakima Affordable Housing, LLLP are appropriately treated as component units due to them being separate legal entities, but YHA is still able to impose their will, and there is a financial benefit/burden between the organizations. The entities are reported as discretely presented component units, as they did not meet the criteria for blending.

Discretely Presented Component Units:

YHA's discretely presented component units include the limited liability partnerships/companies below. These entities follow all applicable FASB standards. Since they do not follow governmental accounting, for presentation purposes, certain transactions may be reflected differently in these financial statements than in the separately issued discretely presented component unit financial statements in order for them to conform to the presentation of the primary government.

YHA Family Housing, LLC, Toppenish Family Housing, LLC, and Yakima Affordable Housing, LLLP, are the three component units. YHA is the 0.01% owner and the general partner/managing member in these real estate partnerships as of December 31, 2018. The limited partnership interests are held by third parties unrelated to YHA. Under GASB No. 61, these limited partnerships are considered discretely presented component units of YHA since none of these component units meet the blending criteria.

YHA Family Housing, LLC (YHA Family) was formed in November 2013 as a separate legal entity. YHA Family was formed to purchase 150 units from YHA under the HUD Rental Assistance Demonstration program, and then utilize their \$14.6 million low-income housing tax credit award, which was awarded in 2013 to rehabilitate the units. YHA also has an outstanding capital lease with YHA Family amounting to approximately \$5.9 million at December 31, 2018.

Toppenish Family Housing, LLC (TFH) was formed in May 2015 as a separate legal entity to take advantage of low-income housing tax credits needed to finance the construction of a 30-unit residential rental housing project.

NOTE 1 — ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED):

Reporting entity (continued):

Yakima Affordable Housing, LLLP (YAH) was formed in April 2016 as a separate legal entity to take advantage of low income housing tax credits needed to finance the rehabilitation of 89-units of rental housing projects for persons of low and moderate income. YHA also has an outstanding capital lease amounting to approximately \$2.3 million at December 31, 2018.

Allocations of low-income housing tax credits pursuant to Internal Revenue Code Section 42 (Section 42) regulate the use of the projects to occupant eligibility and unit gross rent, among other requirements. Each building of the projects must meet the provisions of these regulations during each of 15 consecutive years in order to remain qualified to receive the credits.

There are a variety of transactions that occur between the General Partner (YHA) and the Partnerships, including the payment of a management fee by the Partnership to the General Partner. In addition, there are a variety of receivables and payables between the General Partner and the Partnerships.

Basis of Accounting:

The accounts of YHA are organized and operated on a fund basis. A fund is an independent fiscal and accounting entity with a self-balancing set of accounts recording its assets, liabilities, net position, revenues and expenses.

YHA accounts for its operations in one fund type, the enterprise fund. Enterprise funds are accounted for on the flow of economic resources measurement focus and use the accrual basis of accounting. Revenue is recognized when earned and expenses are recorded at the time liabilities are incurred. All assets and liabilities associated with the operations of YHA are included on the statements of net position.

Summary of Significant Accounting Policies:

The basic financial statements of YHA have been prepared in conformity with U.S. generally accepted accounting principles (GAAP). The Governmental Accounting Standards Board (GASB) is responsible for establishing GAAP for state and local governments through its pronouncements. Following is a summary of the more significant accounting policies of YHA.

Budgeting- The Housing Authority follows the guidelines set forth in the Low Rent Housing Financial Management Handbook (RHA 7475.1) issued by HUD. The budgets are adopted on a basis consistent with GAAP.

Cash and cash equivalents — YHA's cash and cash equivalents include cash on hand, demand deposits, and short-term investments with original maturities of three months or less from the date of acquisition. As required by HUD, all of the bank balance amounts are fully insured by the Federal Government or covered by collateral under the terms of a Depository Agreement executed between YHA and the financial institution.

Restricted Funds – YHA receives security deposits when tenants move into their units. These deposits are segregated in a depository account and are considered a liability of YHA. In addition, YHA is required to maintain reserves required by long-term financing agreements, which are classified as restricted. Restricted funds also include required reserves and funds received in advance that are restricted for a specific or future purpose. Reserves are also required under the partnership agreements for YHA Family Housing, LLC, Toppenish Family Housing, LLC and Yakima Affordable Housing, LLLP. YHA's Family Self Sufficiency program provides for an escrowed savings account for tenants participating in the program. Deposits are equal to increased rents participants pay as a result of their increased earnings and are paid to the tenant upon completion of the contract.

Investments – Federal statutes authorize investment of excess federal funds in instruments issued by or guaranteed by the Federal government. YHA has adopted this policy for all invested funds, whether or not they are federal funds. Investments are carried at fair value based on the most recent market quotations.

Inventories— Inventories consist of expendable supplies held for consumption. All inventories are valued at cost.

NOTE 1 — ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED):

Capital Assets — Capital assets are stated at historical cost. Outlays for capital assets and improvements in excess of \$5,000 are capitalized. Maintenance and repairs are charged to operations as incurred. Replacements that improve or extend the lives of property are capitalized. Donated assets are valued at their fair value on the date donated.

GASB Statement No. 42, *Accounting and Financial Reporting for Impairment of Capital Assets and for Insurance Recoveries*, establishes accounting and financial reporting standards for impairment of capital assets. A capital asset is considered impaired when its future service utility has declined significantly and unexpectedly. YHA is required to evaluate prominent events or changes in circumstances affecting capital assets to determine whether impairment of a capital asset has occurred. No such events or circumstances were encountered as of December 31, 2018.

Donated capital assets, donated works of art and similar items, and capital assets received in a service concession arrangement are reported at acquisition value rather than fair value.

Depreciation is computed on the straight-line method over the estimated useful lives of the related assets. Upon disposal of such assets, the accounts are relieved of the related costs and accumulated depreciation, and resulting gains or losses are reflected in income.

The reporting entity's policy is to capitalize interest on construction projects until substantial completion of the project. Capitalized interest is amortized over the estimated useful life of the asset on the same basis as the asset. The estimated useful lives are as follows:

Dwelling structures	15 - 40 years
Furniture/equipment	3 - 7 years
Vehicles	5 years

Long-term Debt — Debt issuance costs represent expenses incurred in the process of obtaining long-term financing and are expensed as incurred.

Unearned Revenues — Unearned grant revenues are grant funds that have been drawn down or funds advanced and have not yet been expended. At the time those funds are expended revenue will be recognized.

Accrued Compensated Absences — The Housing Authority recognizes an expense for all earned but unused leave. Employees earn between 120 and 240 hours of paid time off, depending on the individual employee's years of employment. Unused paid time off pay may be "banked" up to a maximum of 240 hours, any unused paid time off in excess of this amount is forfeited. Accrued but unused paid time off, up to 120 hours, is payable upon resignation, retirement or death.

Revenue and expenses — YHA's statements of net position distinguish between operating and nonoperating revenue and expenses. Operating revenue results from exchange transactions associated with providing housing and related services, and federal operating subsidies and housing assistance payments that are directly related to YHA's mission. Nonoperating revenue includes capital and noncapital federal grants, interest revenue, and other revenue not meeting the definition of operating. Operating expenses consist of all expenses incurred to provide housing services. Nonoperating expenses include interest expense and other expenses not meeting the definition of operating.

Subsequent events — Subsequent events have been evaluated through June 26, 2019, which is the date the financial statements were available to be issued.

Tax status — YHA, as a governmental entity, is not subject to federal or state income taxes. YHA Family Housing, LLC, Toppenish Family Housing, LLC and Yakima Affordable Housing, LLLP do not report taxable income or losses; rather it is allocated to the respective partners in accordance with their respective percentage ownership. Management of the partnerships have evaluated the Partnerships' tax positions and concluded that there are no uncertain tax positions that require adjustment to the financial statements.

NOTE 1 — ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED):

Use of estimates — The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of financial statements and reported amounts of revenues and expenses during the reporting period. Results could differ from those estimates.

NOTE 2 — DEPOSITS:

Deposits, including those in restricted assets, are defined as cash or cash equivalents on deposit with financial institutions. At December 31, 2018, the carrying amount of YHA's cash accounts deposited with financial institutions was \$4,418,266 and the bank balance was \$6,196,222. The bank deposits are held with financial institutions and are entirely insured or collateralized.

At December 31, 2018, the carrying amount of the discretely presented component units deposited with financial institutions was \$498,836 and the bank balance was \$2,234,906. The bank deposits are held with financial institutions and are entirely insured or collateralized.

For the primary government, cash and cash equivalents consist of the following at December 31, 2018:

Cash and cash equivalents - unrestricted	\$ 4,403,244
Cash and cash equivalents - current restricted	57,774
Total cash and cash equivalents	4,461,018
Less: cash on hand	(217)
Total deposits	\$ 4,460,801

For the discretely presented component units, cash and cash equivalents consist of the following at December 31, 2018:

Cash and cash equivalents - unrestricted	\$ 432,179
Cash and cash equivalents - current restricted	69,357
Total cash and cash equivalents	501,536
Less: cash on hand	(2,700)
Total deposits	\$ 498,836

NOTE 3 — INVESTMENTS:

YHA's investment practice is to follow all HUD guidelines with regard to depository accounts. As a result, YHA restricts its investments to direct obligations of the U.S. Government, fully insured or collateralized investments at commercial banks and savings and loan associations, collateralized repurchase agreements, state-approved investment pools, or money market funds consisting entirely of U.S. Government securities (rated AAA). All investments are reported at fair value, which is obtained from quoted market prices of the exact same investments trading in public markets.

Investments held are as follows:

	Discretely Presented Component		
	YHA	Units	Combined
Money market account	\$ 1,791,752	\$ 1,944,865	\$ 3,736,617

NOTE 3 — INVESTMENTS (CONTINUED):

Custodial Credit Risk – Custodial credit risk is the risk that in the event of bank failure, YHA's deposits may not be returned. YHA follows HUD policies, which requires collateral for all deposits not covered by federal depository insurance. At December 31, 2018, none of YHA's deposits and investments were exposed to custodial credit risk.

Interest Rate Risk – Interest rate risk is the risk that changes in interest rates will adversely affect the fair value of an investment. 100% of YHA's investments have a maturity of less than one year, and the government does not have a formal policy with regards to interest rate risk.

Concentration of Credit Risk – Concentration of credit risk is the risk of loss that may occur due to the amount of investments in a single issuer (not including investments issued or guaranteed by the U.S. government). Since YHA follows HUD policies, and all held investments are in investments issued or guaranteed by the U.S. government, there is no concentration of credit risk.

Credit Risk of Investments – Credit risk of investments is the risk that the issuer or other counterparty will not meet its obligations. This credit risk is measured by the credit quality rating of investments in debt securities as rated by a nationally recognized rating agency. The government does not have a formal policy related to credit risk of investments.

NOTE 4 — RECEIVABLES:

For the primary government, receivables consist of the following at December 31, 2018:

Tenants	\$ 91,597

NOTE 9 — OPERATING LEASES:

In May of 2018 YHA entered into an operating lease for a postage machine. The lease called for monthly payments of \$283 through May of 2023.

NOTE 10 — DEFERRED COMPENSATION PLAN:

YHA, in conjunction with the State, offers its employees a deferred compensation plan created in accordance with Internal Revenue Code Section 457. The Washington State Department of Retirement Systems manages the plan. In June 1998, the State Deferred Compensation Program plan assets were placed into trust for the exclusive benefit of participants and their beneficiaries. Pursuant to GASB Statement No. 32, *Accounting and Financial Reporting for Internal Revenue Code Section 457 Deferred Compensation Plans*, since the Housing Authority is not the owner of these assets, the plan assets and liabilities are not reported as part of the Housing Authority.

NOTE 11 — DEFINED CONTRIBUTION PLAN:

All YHA full-time employees participate in the Housing Authority of the City of Yakima Retirement Plan, which provides funds at retirement for employees of YHA and in the event of death, provides funds for their beneficiaries, through contributions by YHA of 8% of employee payroll after an employee reaches 1,000 hours of employment.

As of December 31, 2018, there were 34 participants in the Defined Contribution Plan. The covered payroll for employees in the plan was \$1,440,608 at December 31, 2018.

Employer contributions were \$115,249 for the year ended December 31, 2018. Employees are vested in their account by years of service, 43% (year 1), 54% (year 2), 66% (year 3), 77% (year 4), 89% (year 5), and 100% (year 6).

The Defined Contribution Plan uses the accrual basis of accounting. Investments are directed by individual plan participants, and holdings are reported at fair value, based on quoted market prices. YHA reserves the right to amend or terminate the plan. However, no amendment will change the employee's right of vested benefit, and should the plan be terminated all employees would automatically become 100% vested in the normal value of their account.

The plan is not subject to ERISA reporting requirements, and separate financial statements have not been prepared for the plan. The plan is administered by CPI Qualified Plan Consultants, Inc.

NOTE 12 — PARTICIPATION IN HOUSING AUTHORITY RISK RETENTION POOL:

The Yakima Housing Authority is not facing any type of risk and has no settlements that exceeded the insurance coverage traditionally insured with property and casualty insurance. We are unaware of any loss exposures that may need specialized coverage traditionally excluded in property and casualty insurance.

The Yakima Housing Authority is a member of Housing Authorities Risk Retention Pool (HARRP). Utilizing Chapter 190.080 ORS and 48.62 RCW (self-insurance regulations) and Chapter 39.34 (Interlocal Cooperation Act), fifty-five public housing authorities in the states of Washington, Oregon and California originally formed HARRP in March 1987. HARRP was created for the purpose of providing a pooling mechanism for jointly purchasing insurance, jointly self-insuring, and/or jointly contracting for risk management services. HARRP is a U.S. Department of Housing and Urban Development (HUD) approved self-insurance entity for utilization by public housing authorities. HARRP has a total of eighty-three member/owner housing authorities in the states of Washington, Oregon, California and Nevada. Thirty-four of the eighty-three members are Washington State public housing entities.

New members are underwritten at their original membership and thereafter automatically renew on an annual basis. Members may quit upon giving notice to HARRP prior to their renewal date. Members terminating membership are not eligible to rejoin HARRP for three years. HARRP can terminate the members after giving a sixty (60) day notice prior to the renewal date. Termination does not relieve a former member from its unresolved losses incurred during membership.

NOTE 12 — PARTICIPATION IN HOUSING AUTHORITY RISK RETENTION POOL:

General and Automobile Liability Coverage is written on an occurrence basis, without member deductibles. Errors and Omissions coverage (which includes Employment Practices Liability) is written on claims made basis, and the members are responsible for 10% of the incurred costs of the claims. (Due to special underwriting circumstances, some members may be subject to greater deductibles and E & O co-payments). Coverage limits for General Liability, Automobile Liability, as well as Errors and Omissions, are \$2,000,000 per occurrence with a \$2,000,000 aggregate.

The Property coverage offered by HARRP is on a replacement cost basis, with deductibles ranging from \$2,500 to \$25,000. Our Property coverages include Equipment Breakdown, as well as Fidelity coverage with limits of \$100,000 (with options up to \$1,000,000) for employee dishonesty, forgery or alteration and \$50,000 for theft, with a \$1,000 deductible.

HARRP self-insures coverage for liability lines. HARRP self-insures the first \$2,000,000 for property, then purchases \$45 million of excess insurance from Munich Reinsurance for a combined total of \$47,000,000. The HARRP Board of Directors determines the limits and coverage terms, at its sole discretion.

HARRP provides loss control and claim services with in-house staff and retained third party contractors.

HARRP is fully funded by member contributions that are adjusted by the HARRP Board on the basis of independent actuarial studies. These assessments cover loss, loss adjustment expenses, excess insurance, reinsurance and other administrative expenses. HARRP does not have the right to assess the membership for any shortfall in its funding. Such shortfalls are made up through future rate adjustments.

YHA Family Housing, LLC and Toppenish Family Housing, LLC are members of the Affordable Housing Risk Pool (AHRP). Legislation sponsored by HARRP has been enacted in Washington, Oregon, Nevada, and California to provide statutory authorization for the formation and operation of an insurance pool that offers coverage to private affordable housing entities, specifically tax credit partnerships, affiliated nonprofits, and nonprofit affordable housing owners. AHRP is a wholly owned subsidiary of HARRP, and is governed by a Board of Directors.

The pool allows members to establish a plan of self-insurance, jointly purchase insurance coverage and to provide such related services as risk management and loss control. Coverage for public official liability is on a "claims made basis." All other coverage is on an "occurrence" basis. YHA Family Housing, LLC and Toppenish Family Housing, LLC have elected the similar levels to YHA, as described previously.

NOTE 13 — CONTINGENCIES:

YHA has recorded in its financial statements all material liabilities.

YHA participates in a number of federal and state assisted programs. These grants are subject to audit by the grantors or their representatives. Such audits could result in request for reimbursement to grantor agencies for expenditures disallowed under the terms of the grants. Housing Authority management believes that such disallowances, if any, will be immaterial.

The Housing Authority has a \$296,000 recoverable grant from the Washington State Housing Trust Fund for the construction of low-income temporary housing for farmworkers at Cosecha Court. This grant is conditional on the Housing Authority provided low-income individual with housing for a commitment period of forty (40) years. If the project is sold, refinanced, transferred, the use changes during the 40-year term of the commitment, or is out of compliance with the conditions of the contract, the award amount plus a proportional share of the appreciated value of the property will be due and payable to the Housing Trust Fund within 30 days of such event. The term of the commitment expires January 31, 2054.

NOTE 14 — RELATED PARTY TRANSACTIONS:

YHA Family Housing, LLC:

In 2012 YHA's application to participate in the HUD Rental Assistance Demonstration Program (HUD RAD) was approved. The HUD RAD program allows housing authorities to convert their public housing stock to project-based Section 8, which allowed YHA to seek funding sources for rehabilitation that were previously not allowed, due to the restrictions surrounding public housing. In connection with closing on the 150 units, YHA sold the 150 units to YHA Family Housing, LLC.

The units, which prior to the sale had a net book value of \$5,618,924 (cost of \$15,022,084 net of accumulated depreciation of \$8,826,555), were sold to the LLC for \$7,036,800, and capitalized on the LLC's books at \$5,536,800 (building) and \$1,500,000 (land) during the year-ended December 31, 2015. The purchase price was financed on a long-term lease with an initial principal balance of \$6,333,120, \$5,873,170 of which was outstanding at December 31, 2018. As of December 31, 2018 accrued interest of \$806,165 was outstanding. Principal and interest payments at 5.2% are payable out of distributions of cash flow in accordance with the Amended and Restated Operating Agreement, and is due in full on December 31, 2068.

For the year ended December 31, 2018 YHA contributed \$-0- of equity to the LLC.

In June of 2013 YHA Family Housing, LLC signed a credit reservation and carryover allocation contract with the Washington State Housing Finance Commission for the reservation and award of \$1,464,418 of credit awarded under Section 42 of the Internal Revenue Code. Pursuant to the terms of the Operating Agreement, the Investor Member is required to make capital contributions totaling \$13,324,871 subject to potential adjustments based on the amount of low-income housing tax credits ultimately allocated to the Project in addition to other potential occurrences. As of December 31, 2018, the Investor Member has made all required capital contributions.

NOTE 16 — COMMITMENTS:

YHA applied to the U.S. Department of Health and Human Services (HHS) for the transfer of the former Marine Armory located in Yakima, Washington, to the Housing Authority. The Marine Armory will be improved to provide services (warming shelter, medical, dental, education, transportation, case management, etc.) and permanent housing for homeless veterans. In addition, 41 units of multifamily housing will be developed. The new construction and improvement of the existing facility will be funded with HOME funds from the City of Yakima (approximately \$500 thousand), housing trust funds (approximately \$2.0 million) through the Department of Commerce and LIHTC Equity (approximately \$7.9 million). HHS entered into a three year lease agreement with YHA in July, 2017 until the financing for the improvements are obtained, at which point the property will be transferred to YHA. YHA anticipates the rehabilitation to begin by the summer of 2019.

YHA has been approved for a Multifamily Preservation and Rehabilitation (MPR) application that will rehabilitate its 142 farm labor housing units located throughout Yakima County. The USDA RD MPR program is designed to make projects sustainable over a 20-year period through a combination of debt deferral, loans and grants. Commencement of construction is dependent upon finalization of funding from USDA, anticipated to be in late 2019, there are currently no contracts in place related to this.

NOTE 17 — SUBSEQUENT EVENTS:

Subsequent to year-end the contract for YHA to provide the Housing Authority of Kittitas County with management services was discontinued.

NOTE 18 — ADOPTION OF NEW ACCOUNTING STANDARDS:

New pronouncements – During the year ended December 31, 2018 and beyond, YHA has and will implement several new pronouncements of the Governmental Accounting Standards Board (GASB). These pronouncements are as follows:

GASB No. 82, *Pension Issues—an amendment of GASB Statements No. 67, No. 68, and No. 73* - This Statement clarifies that payments that are made by an employer to satisfy contribution requirements that are identified by the pension plan terms as plan member contribution requirements should be classified as plan member contributions for purposes of Statement 67 and as employee contributions for purposes of Statement 68. It also requires that an employer's expense and expenditures for those amounts be recognized in the period for which the contribution is assessed and classified in the same manner as the employer classifies similar compensation other than pensions (for example, as salaries and wages or as fringe benefits). The requirements of this Statement are effective for financial statements for periods beginning after June 15, 2017. YHA implemented this standard with no change to current financial reporting.

GASB No. 83, *Certain Asset Retirement Obligations* - The objective of this statement is to address accounting and financial reporting for certain asset retirement obligations (AROs). An ARO is a legally enforceable liability associated with the retirement of a tangible capital asset. A government that has legal obligations to perform future asset retirement activities related to its tangible capital assets should recognize a liability based on the guidance in this Statement. This Statement is effective for fiscal years beginning after June 15, 2018. YHA does not believe there will be an impact from this statement on future financial reporting.

GASB No. 84, *Fiduciary Activities* - The objective of this statement is to establish criteria for identifying fiduciary activities of all state and local governments. The focus of the criteria generally is on (1) whether a government is controlling the assets of the fiduciary activity and (2) the beneficiaries with whom a fiduciary relationship exists. Separate criteria are included to identify fiduciary component units and postemployment benefit arrangements that are fiduciary activities. This Statement is effective for fiscal years beginning after December 15, 2018. YHA does not believe there will be an impact from this statement on future financial reporting.

GASB No. 85, *Omnibus 2017* - The objective of this statement is to establish accounting and financial reporting requirements for blending component units, goodwill, fair value measurement and application, and postemployment benefits (pensions and other postemployment benefits [OPEB]). The provisions of this statement apply to state and local governments. This Statement is effective for fiscal years beginning after June 15, 2017. YHA implemented this standard with no change to current financial reporting.

GASB No. 86, *Certain Debt Extinguishment Issues* - The objective of this statement is to improve consistency in accounting and financial reporting for in-substance defeasance of debt by providing guidance for transactions in which cash and other monetary assets acquired with only existing resources – resources other than the proceeds of refunding debt – are placed in an irrevocable trust for the sole purpose of extinguishing debt. This statement also improves accounting and financial reporting for prepaid insurance on debt that is extinguished and notes to financial statements for debt that is defeased in substance. This statement is effective for fiscal years beginning after June 15, 2017. YHA implemented this standard with no change to current financial reporting.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL
OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE
WITH GOVERNMENT AUDITING STANDARDS

Board of Commissioners
Housing Authority of the City of Yakima
Yakima, Washington

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the business-type activities and the aggregate discretely presented component units of the Housing Authority of the City of Yakima (the Authority) as of and for the year ended December 31, 2018, and the related notes to the financial statements, which collectively comprise the Authority's basic financial statements, and have issued our report thereon dated June 26, 2019. Our report includes a reference to other auditors who audited the financial statements of the Yakima Affordable Housing LLLP, Toppenish Family Housing LLC and YHA Family Housing LLC as described in our report on the Authority's financial statements. This report includes our consideration of the results of the other auditor's testing of internal control over financial reporting and compliance and other matters that are reported on separately by those auditors. However, this report insofar as it relates to the results of the other auditors, is based solely on the reports of the other auditors. The financial statements of the aggregate discretely presented component units were not audited in accordance with *Government Auditing Standards*, and accordingly, this report does not include reporting on internal control over financial reporting or instances of noncompliance associated with the aggregate discretely presented component units.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Authority's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Authority's internal control. Accordingly, we do not express an opinion on the effectiveness of the Authority's internal control. A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material

misstatement of the Authority's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Authority's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

However, we noted other matters involving the internal control over financial reporting, which we have reported to management in a separate letter dated June 26, 2019.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Authority's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Authority's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE
FOR EACH MAJOR FEDERAL PROGRAM AND ON INTERNAL CONTROL
OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE

Board of Commissioners
Housing Authority of the City of Yakima
Yakima, Washington

Report on Compliance for Each Major Federal Program

We have audited the Housing Authority of the City of Yakima's (the Authority) compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of the Authority's major federal programs for the year ended December 31, 2018. The Authority's major federal programs are identified in the summary of auditor's results section of the accompanying Schedule of Findings and Questioned Costs.

Management's Responsibility

Management is responsible for compliance with federal statutes, regulations and the terms and conditions applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for the Authority's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, and the audit requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the Authority's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of the Authority's compliance.

Opinion on Each Major Federal Program

In our opinion, the Authority complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of the major federal programs for the year ended December 31, 2018.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE
FOR EACH MAJOR FEDERAL PROGRAM AND ON INTERNAL CONTROL
OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE - (CONTINUED)

Report on Internal Control Over Compliance

Management of the Authority is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the Authority's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing our opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Authority's internal control over compliance.

A *deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

Notes to Schedule of Expenditures of Federal Awards

December 31, 2018

General – The accompanying schedule of expenditures of federal awards includes the federal grant activity of the Housing Authority of City of Yakima (YHA). YHA's reporting entity is defined in note 1 to the basic financial statements.

YHA's basic financial statements include the operations of Yakima Affordable Housing, LLLP, discretely presented component units, which received \$512,264 in federal awards which are not included in YHA's schedule of expenditures of federal awards for the year ended December 31, 2018.

Basis of Accounting – The schedule of expenditures of federal awards is prepared on the accrual basis of accounting. Revenues are recognized when program costs have been incurred or when revenues have otherwise been earned.

Indirect cost rate – YHA has elected not to use the de-minimis indirect cost rate.

Farm Labor Housing Loan – The expenditures shown consist of loan funds received and expended in the Cosecha Court development. The total balance of the loan outstanding at December 31, 2018 was \$174,788.

Rural Rental Housing – The expenditures shown consist of loan funds received and expended in the Harmony Park development. The total balance of the loan outstanding at December 31, 2018 was \$670,048.

Rural Rental Housing – The expenditures shown consist of loan funds received and expended in the Valley Seven development. The total balance of the loan outstanding at December 31, 2018 was \$299,036.

Multi-Family Housing Preservation Revolving Loan Fund Demonstration Program – The expenditures shown consist of loan funds received and expended in the Valley Seven development. The total balance of the loan outstanding at December 31, 2018 was \$1,445,669.

Multi-Family Housing Preservation Revolving Loan Fund Demonstration Program – The expenditures shown consist of loan funds received as a pass through from the Office of Rural and Farmworker Housing and expended in the Valley Seven development. The total balance of the loan outstanding at December 31, 2018 was \$217,847.

Status of Prior Year Findings

December 31, 2018

Finding Reference Number:

2017-001

Condition:

The initial SEFA was overstated by approximately \$2.8 million. This was primarily due to the inclusion of a \$1.3 million non-federal forgivable loan, inclusion of an award related to a discretely presented component unit, including the beginning and ending balance of a federal loan and the exclusion of a federal loan. The SEFA also contained errors in the identification of the programs. A loan was identified using the CFDA number for a rental assistance program and the FSS program was incorrectly identified as a ROSS award. The initial FDS did not include all required component units in the discretely presented component unit column.

Current Status:

Closed. The closing and year-end preparation took place earlier, allowing for a more thorough review.
